## HEALTH & SOCIAL CARE NETWORK MEETING

NOTRE DAME HIGH SCHOOL

FRIDAY 27 JANUARY 2017

9 AM TO 2.30 PM

*(£20 per person to include lunch and refreshments)*

**Do you feel alone with delivering and assessing Health and Social Care at KS4 and KS5?** Health and Social Care is often a forgotten subject and there is very little support available.

**Would you like to attend a networking meeting to share contacts, resources and conduct some moderation?**

If so please email [hallamtsa@notredame-high.co.uk](mailto:hallamtsa@notredame-high.co.uk) to make a booking

The meeting will be hosted by Anita Sandhal who is Head of Social Sciences at Notre Dame High School and teacher of Health and Social Care at KS4 and KS5. She is also an examiner and visiting moderator for an exam board in the subject.

Please come along either individually or with another colleague from your department. Come prepared with your **laptop** (and hard drives - we have guest wifi) so resources can be shared and swapped! A full session will be dedicated to the **standardisation and moderation process** so please bring work along too! Often we think we are only capable of moderating work with one particular exam board, but that is not the case – we should be able to reach common ground and moderate work across exam boards and specifications.

**Remember – you're not alone in Health and Social Care  
It is good to get different perspectives on courses, student work  
and teaching ideas**
