

Primary Science Space Ambassadors Service from Hallam TSA

Hallam Teaching School Alliance is happy to announce the offer of a new programme designed to bring your teaching of the 'Earth and Space' topic of the National Curriculum to life this year to coincide with a British Astronaut's expedition to space.

Major Timothy Peake blasts off to the International Space Station on December 15th and will be there until May 2016. To link in with Tim's mission as it happens in partnership with the **National Stem Centre** and **esero uk** we are able to offer 30 primary schools;

- Free CDP event with take away resources aimed at KS2 with full training to develop your subject knowledge and learn how to teach exciting activities that have been planned for you by science experts to coincide with Tim's time in space
- Free online action planning software
- Free access to face-to-face and online support for lesson planning to help you make the most of the resources including options of co-planning and team teaching with secondary physics teachers from Hallam TSA on request CPD.

HALLAM TEACHING
SCHOOL ALLIANCE
National Teaching School since 2011 at Notre Dame High School

Workshops are being held on 11, 12, 18 & 19 November 2015
