Course - [click to book your place](#)

17/12/2022

16.00-17.30

Developing STEM in the secondary curriculum

19/01/2022

16.00-17.00

Misconceptions in Science - workshop 2

25/01/2022

16.00-17.00

GCSE Chemistry teaching the trickier topics 1  
- Qualitative Chemistry

08/02/2021

9.30-16.00

Maths in Science Teaching (full day)

23/02/2022

16.00-17.30

GCSE Chemistry teaching the trickier topics 2  
- Electrolysis (inc. fuel cells)

10/03/2022

16.00-17.30

GCSE Chemistry teaching the trickier topics 3  
- Structure and Bonding

The following courses are for Science Technicians:

**Date**      **Time**      **Course - [click to book your place](#)**

18/03/2021      13.00-16.00      Technicians supporting **Physics**

21/01/2022      13.00-16.00      Technicians supporting **Chemistry**

25/02/2022      13.00-16.00      Technicians supporting **Biology**
